

Certificate of attendance CosmoVerse@Kraków 2024

For Dr. J. Alberto Vazquez

In the role of the main organizer of [CosmoVerse@Krakow](#) 2024: second annual conference of the [COST Action](#) CA21136 – “Addressing observational tensions in cosmology with systematics and fundamental physics” ([CosmoVerse](#)) that happened in Krakow (Poland) 9-11 July 2024,

I attest that Dr. J. Alberto Vazquez has participated in this conference and that they presented a talk with the title, “Deep Learning and genetic algorithms for cosmological Bayesian inference speed-up”.
